Lyrics

"Family Portrait"

Momma please stop cryin, I can't stand the sound
Your pain is painful and its tearin' me down
I hear glasses breakin as I sit up in my bed
I told dad you didn't mean those nasty things you said

You fight about money, about me and my brother
And this I come home to, this is my shelter
It ain't easy growin up in World War III
Never knowin what love could be, you'll see

I don't want love to destroy me like it has done my family

Can we work it out? Can we be a family?

I promise I'll be better, Mommy I'll do anything

Can we work it out? Can we be a family?

I promise I'll be better, Daddy please don't leave

Daddy please stop yellin, I can't stand the sound

Make mama stop cryin, cuz I need you around

My mama she loves you, no matter what she says its true

I know that she hurts you, but remember I love you, too

I ran away today, ran from the noise, ran away

Don't wanna go back to that place, but don't have no choice, no way

It ain't easy growin up in World War III

Never knowin what love could be, well I've seen

I don't want love to destroy me like it did my family

In our family portrait, we look pretty happy

Let's play pretend, let's act like it comes naturally

I don't wanna have to split the holidays

I don't want two addresses

I don't want a step-brother anyways

And I don't want my mom to have to change her last name

In our family portrait we look pretty happy

We look pretty normal, let's go back to that

In our family portrait we look pretty happy

Let's play pretend, act like it goes naturally

In our family portrait we look pretty happy

(Can we work it out? Can we be a family?)

We look pretty normal, let's go back to that

(I promise I'll be better, Mommy I'll do anything)

In our family portrait we look pretty happy

(Can we work it out? Can we be a family?)

Let's play pretend act and like it comes so naturally

(I promise I'll be better, Daddy please don't leave)

In our family portrait we look pretty happy

(Can we work it out? Can we be a family?)

We look pretty normal, let's go back to that

(I promise I'll be better, Daddy please don't leave)

Daddy don't leave

Daddy don't leave

Daddy don't leave

Turn around please

Remember that the night you left you took my shining star?

Daddy don't leave

Daddy don't leave

Daddy don't leave

Don't leave us here alone

Mom will be nicer

I'll be so much better, I'll tell my brother

Oh, I won't spill the milk at dinner

I'll be so much better, I'll do everything right

I'll be your little girl forever

I'll go to sleep at night

T: Answer some more questions:

- ✓ Has she got any sibling?
- ✓ What doesn't she want?
- ✓ This little girl wants to make her father stay making promises. What promises does she make?
- ✓ Do you have many family photos?
- ✓ Do you look happy in them?
- ✓ Where do you keep them?
- ✓ What role do parents play in your life?

5. Role-play.

T: Your classmates will act out a story for you that has a very deep meaning. While listening try to guess who they are talking about. (*The Narrator, God, A Newborn*)

A Newborn's Conversation with God

A baby asked God, "They tell me you are sending me to earth tomorrow, but how am I going to live there being so small and helpless?"

God said, "Your angel will be waiting for you and will take care of you."

The child further inquired, "But tell me, here in heaven I don't have to do anything but sing and smile to be happy."

God said, "Your angel will sing for you and will also smile for you. And you will feel your angel's love and be very happy."

Again the small child asked, "And how am I going to be able to understand when people talk to me if I don't know the language?"

God said, "Your angel will tell you the most beautiful and sweet words you will ever hear, and with much patience and care, your angel will teach you how to speak."

"And what am I going to do when I want to talk to you?"

God said, "Your angel will place your hands together and will teach you how to pray."

"Who will protect me?"

God said, "Your angel will defend you even if it means risking its life."

"But I will always be sad because I will not see you anymore."

God said, "Your angel will always talk to you about Me and will teach you the way to come back to Me, even though I will always be next to you."

At that moment there was much peace in Heaven, but voices from Earth could be heard and the child hurriedly asked, "God, if I am to leave now, please tell me my angel's name."

*God said, You will simply call her, "**Mom.**"*

T: Now answer:

- ✓ How quickly did you guess who the story is about?
- ✓ Do you agree that your mother is your angel on earth?
- ✓ Do you often say "thank you" to your parents?
- ✓ Abraham Lincoln once said "All that I am or hope to be I owe my angel mother. I remember my mother's prayers and they have always followed me. They have clung to me all my life"

6. Writing

Think about things you owe to your parents, things you appreciate and write **a thank-you letter** to your parents. It should be sincere but because of lack of time not very long.

Read out your letter if you feel like it.

III Кінець уроку

1. Home assignment.

T: Write an essay “Who is your favourite member of the family and why?”

2. Summing up.

To conclude, it's not an easy thing to be always in good relations with all the members of the family, because different generations have different attitudes to things, different opinions. Still you should value things you have. In other words: Count your blessings! If you want to live in peace and be in good relations with your family, you should be patient, kind and respectful. Eventually, the family is...

Father

And

Mother

I

Love

You
